FD6111V/FD6121V  
 Network Camera

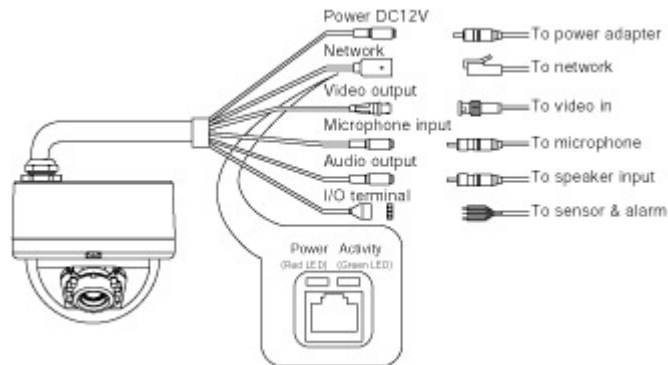

The VIVOTEK FD6111V/FD6121V is a powerful network camera with many advanced features. Built-in the dual-codec, MPEG-4/M-JPEG compression engine, users of FD6111V/FD6121V can freely select to adopt either compression

mode. Incorporating a high resolution 1/3 inch Sony CCD sensor, the removable IR cut filter and IR LEDs enables the camera perfectly to be used for 24-hour surveillance. Its vandal-proof and weather-proof body has no problem for both the indoor and outdoor installation. The new 2-way audio function let the users not only listen but also talk to the camera site. All the state-of-the-art features make the VIVOTEK FD6111V/FD6121V suitable for various surveillance applications.

- MJPEG and MPEG-4 Video Compression Selectable
- Built-in IR LEDs for Night Vision
- Integrated Two-way Audio
- Vandal-proof and Weather-proof (IP66)
